

# U.S. Gas Market Size and Household Spending Report

---

United States of Bill Pay  
doxoINSIGHTS Report 2025

A comprehensive look into the Gas industry, with a deep dive into category market size and median spend at the national, state, and regional level.

[www.doxo.com/w/insights/](https://www.doxo.com/w/insights/)

## About doxoINSIGHTS

doxoINSIGHTS leverages doxo's unique, aggregate, anonymized bill pay data comprised of actual bill payment activity to confirmed household service providers across the country.

**10M+**

Statistically significant, with over 10 million paying consumers.

**97%**

Geographically diverse, capturing payment activity in all 97% U.S. zip codes

**120,000**

Covering 45 different biller service categories, with more than 120,000 unique billers

## All income brackets

Economically representative, with participation from all income brackets.

## All payment funding sources

Capturing all payment funding sources, including bank accounts, credit cards, and debit cards.

doxoINSIGHTS provides a comprehensive look into the Bill Pay Economy™, with a deep dive into category size and median spend at the national, state, and regional level. doxoINSIGHTS aims to bring transparency to the U.S. bill pay market by bringing together the broadest available data set for analyzing actual household payment activity, and providing the foundation for bottoms-up market sizing for the thirteen most common household bills. For more information about doxoINSIGHTS visit [www.doxo.com/insights](http://www.doxo.com/insights).

The findings in the 2025 U.S. Household Bill Pay Report include breakouts by service category, household market penetration for each type of service, and median household spend per month by state.

Data is sourced from doxoINSIGHTS and reflects a 12-month overview of actual consumer payment data as of March 2025. For the most up-to-date analysis, please visit [www.doxo.com/w/explore](http://www.doxo.com/w/explore) and search by state, county, or city.

## Overall Bill Pay Market Size (in billions)

While the total market size for U.S. household bills is \$4.55 trillion per year, this report focuses on the thirteen most common household bills, which amount to \$3.45 trillion. These include Mortgage; Rent; Auto Loan; Gas; Electric, Water & Sewer, Waste & Recycling; Auto Insurance; Cable & Internet & Phone; Health Insurance; Mobile Phone; Alarm & Security; and Life Insurance.

U.S. Households spend **\$3.45** Trillion annually on the thirteen most common household bills.

\*Other includes taxes and non-recurring fees like health care lab expenses, and toll roads.

TO NOTE: Category specific data is sourced from actual bill payment activity via doxo's platform, with the exception of Rent and Mortgage, which is sourced from the U.S. Census Bureau.

The average U.S. household spends **\$71** a month on Gas.

| Bill Category     |                                                                                     | Median Monthly Bill                                                                              | % of Households with Bill                                                                       | Median Annual Cost |
|-------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|--------------------|

## About doxo

doxo delivers innovation that transforms the bill pay experience for consumers, billers and financial technology providers. For over 10M consumers, doxo's all-in-one bill pay makes it simple to organize and pay any bill on any device through a secure checkout. For billers, doxo's network-driven platform enables online and mobile payments with a ridiculously simple integration, radically lower costs, and game-changing features that are unavailable with legacy bill pay vendors. For fintech partners, doxo delivers financial innovations to consumers across 97% of US Zip Codes, paying from more than 5,000 financial institutions to over 120,000 billers in 45+ service categories. For employees, doxo is a creative, ever-learning team that is passionate about building fintech tools that dramatically improve the bill pay experience. For investors, doxo provides an extraordinary opportunity to invest alongside Jackson Square Ventures, MDV, and Bezos Expeditions to disrupt a market that accounts for over \$4T of US Household spend.
